

# CAPC National Seminar

**BUILD + CONNECT**

September 15-17, 2025

Philadelphia Marriott Downtown

**2025** SPONSORSHIP AND  
EXHIBITOR OPPORTUNITIES

# Make An Impact

Sponsoring the CAPC National Seminar is a commitment to ensuring that people living with a serious illness, and their families and caregivers, have access to high-quality, equitable palliative care. This is a unique opportunity to build strong ties with the palliative care community, promote your organization to a highly engaged audience, and be meaningfully associated with the return of one of the most anticipated palliative care events of the year.

## The benefits of sponsoring and exhibiting:

- Connect with key decision-makers and national leaders in the field
- Enhance your brand visibility within the palliative care community
- Network and build relationships with clinicians and administrators
- Receive recognition and appreciation before, during, and after the event

## Your support will help CAPC:

- Convene palliative care trailblazers from across the country to collaborate and innovate
- Recruit renowned speakers to inspire and inform the field
- Train current and future leaders to build and grow successful, sustainable, equitable palliative care programs
- Provide vital well-being resources to nourish and sustain the palliative care workforce

"Healthcare Recruitment Link had the distinct pleasure of sponsoring the CAPC National Seminar. The Seminar is exceptionally well-organized and provides an excellent platform to meet amazing, compassionate, and esteemed health care professionals to discuss current industry trends and staffing needs."

*Sheila Bixler, Founder/Partner, Healthcare Recruitment Link*

# CAPC NATIONAL SEMINAR 2025

The CAPC National Seminar draws health professionals—from provider organizations, ACOs, and health plans—who are focused on designing and improving palliative care services for people with serious illness. Program leaders, palliative care teams, and administrators representing all disciplines and all care settings come to the Seminar to find practical tools, innovative solutions, insights on national trends, and a wealth of opportunities to network and connect with peers.

## **Areas of Focus in 2025**

- Building and leveraging the interprofessional team
- Billing and program financing strategies
- Using data to demonstrate value and secure resources
- Strategies to cope with high volumes
- Optimizing referral relationships
- Clinical training initiatives to improve patient outcomes
- Palliative care workforce well-being
- Leading healthy teams
- Insights on the health care landscape: policy, payment, workforce, and technology
- Equitable access and care delivery for patients with serious illness

## **Pre-Conference Workshops**

Highly-anticipated pre-conference workshops will focus on Health Equity, Billing, and Leadership.

"I love the CAPC National Seminar for many reasons—certainly the educational content, and the amazing attention to detail in the meeting planning. I especially like exhibiting. The meeting attendees are so gracious, and genuinely engaged, eager to learn more about our program. This is one meeting I ALWAYS plan on attending and exhibiting at!"

**Mary Lynn McPherson**, PharmD, MA, MDE, BCPS, CPE Professor,  
University of Maryland Baltimore

The Center to Advance Palliative Care (CAPC) is a national organization dedicated to increasing the availability of quality, equitable care for people living with a serious illness. As the nation's leading resource in its field, CAPC provides health care professionals and organizations with the training, tools, and technical assistance. CAPC is part of the nonprofit Mount Sinai School of Medicine in New York City. Learn more at [capc.org](https://capc.org).
