

Advance Care Planning

This Learning Pathway includes training in advance care planning (ACP) best practices, and information on how to bill for ACP conversations.

Care Planning

Learn techniques to help patients and their caregivers plan for the future, both during the early stages of a serious illness and as a disease progresses.

Clarifying Patient Goals of Care

Learn best practices for building trust, eliciting patient values, and having patient-centered conversations about goals of care.

Reducing Risks for Older Adults

This course provides context and best practices for identifying older adults at risk for poor outcomes, including falls, delirium, and caregiving challenges.

Billing and Coding for Advance Care Planning (ACP) Services

Requirements, best practices, documentation requirements, and time thresholds for Advance Care Planning (ACP) services. Center to Advance Palliative Care, January 2024.

Prolonged Services Billing (2024 Update)

Deep dive on prolonged services billing in all care settings. January 2024
